

UNCABLE YOUR COMMUNITY GET FIBER INTERNET

Experience a 100% fiber network
and superior Wi-Fi.

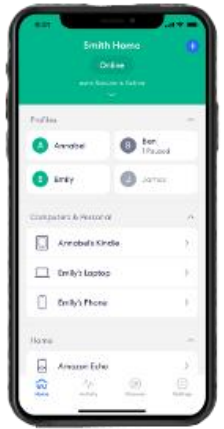

EXPERIENCE UNMATCHED WI-FI

Your community deserves fast, secure, easy, whole-home Wi-Fi.

Frontier has teamed up with eero to power your community with the eero Pro 6 featuring Wi-Fi 6 technology and TrueMesh, which optimizes your Wi-Fi to work for your space. Residents can manage their Wi-Fi in the easy-to-use eero app:

- Support for 75+ devices with patented TrueMesh technology that blankets your home in fast, reliable Wi-Fi.
- Control your connected devices with the built-in Zigbee smart home hub and Alexa app.
- Manage all your connected devices from anywhere you can access the eero app.
- Create unique user profiles and manage passwords.
- Share access with out-of-town guests.
- Use advanced parental control features to limit or turn off access.

*For solutions higher than 2G alternative technology may be required
